Dear Matt

THANK YOU

On behalf of the Zonta Club of Toowoomba I would like to sincerely thank you for your involvement in the 2007 'Cooking for a Cause'.

You were fabulous and the feedback for your session was amazing. Thank you so much for all the time and effort you put into to helping us make it such an outstanding success.

The event was an enormous success and the feedback we have received has been absolutely wonderful. An important fundraising event cannot be held without the generous support of sponsors and all the people who give up their time to help. We thank you very much for your fantastic support of this event and the Zonta Club of Toowoomba.

The aim of the event was of course to raise funds for charity. The accounts have not yet been finalised but we are extremely pleased with the result so far and should raise a substantial amount for Zonta charities and the three specific charities for this year's event:

- **Angel Flight**
- **St Andrew's Hospital**
- **Youngcare**

Again, our grateful thanks and sincere appreciation for your generous support.

Yours sincerely

Wendy Allen
